

In keeping with the Water Environment Association of Ontario's (WEAO) New Professionals (NP) commitment to continuing education through technical development, the WEAO NP Committee is pleased to present the latest technical seminar on the topic of "Asset Management". This seminar will focus on the fundamental theories of asset management and implementation.

Speakers for this event include Roop Lutchman of CH2MHILL who will be discussing the fundamentals of asset management and Terry Martins from UEM Consulting who will cover asset management implementations.

What is Asset Management?

Roop Lutchman, *CH2MHILL*

- What is Asset Management?
- Fundamentals of Asset Management
- Benefits of Asset Management.

Asset Management Implementations

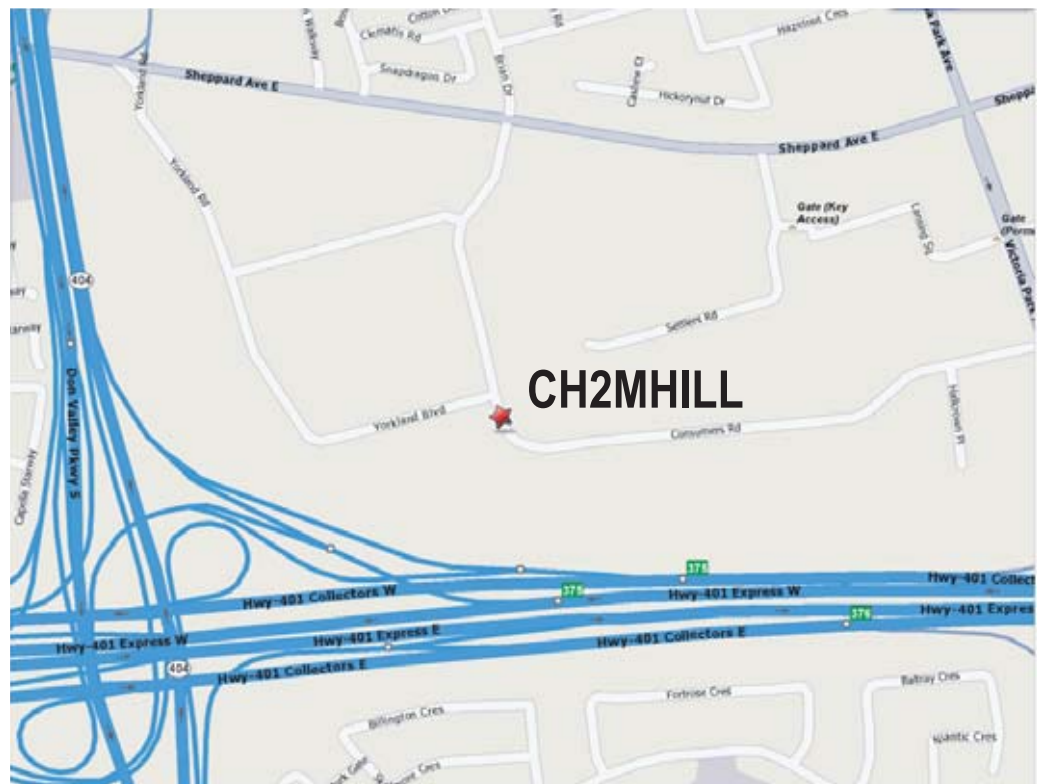

Terry Martins, *UEM Consulting*

- Drivers (Bill 175 & PSAB 3150)
- Data: Supporting the Business Processes
- Technology: Supporting the Business Processes

The WEAO NP Committee has been created to represent those WEAO members with ten (10) years or less experience in the wastewater industry, or less than 35 years of age. Our primary goal is to aid in the technical and professional development of new individuals entering the wastewater treatment industry, as well as encourage participation of New Professionals in WEAO activities.

Please join us for this opportunity of technical development, networking and social interaction on Monday, December 4th, 2006 @ 5:30 pm. In order to register for this event, participants must be a WEAO, WEF, OWWA member, or a student registered at an accredited university or college. Individuals interested in attending this event, who are not members of the previous listed organizations, can register by contacting Julie Vincent (WEAO Executive Administrator) at 416-410-6933 or weao@weao.org for further information or details regarding WEAO membership. Please RSVP by completing the Technical Seminar Sign-Up Sheet, which has been included on the following page and fax it to Julie Vincent (WEAO) at 416-410-1626 no later than Tuesday November 28, 2006.

The seminar will be held at CH2MHILL in the Superior Room located at 255 Consumers Rd. Toronto, ON M2J 5B6 as indicated in the map below.
