

Industrial Plumber

People, Place, Prosperity

Working within our Strategic Plan, **Cambridge Connected**, and committing to our values of Integrity, Respect, Inclusiveness and Service, the successful candidate will work together to help the City of Cambridge achieve our vision: A place for people to prosper – alive with opportunity.

Job Profile

The City of Cambridge has a full-time opening for an Industrial Plumber in the Infrastructure Services Department, Environmental Services Division available immediately. Reporting to the Supervisor of Metering and Compliance, the following duties will apply:

What you will be doing

- Schedule and coordinate daily work, provide training to Meter staff to insure work meets the City standard.
- Install and repair residential and commercial meters and their components using knowledge and certification relating to Plumbing license.
- Review complex plumbing systems to adhere to all plumbing codes and municipal bylaws and regulations.
- Meet with contractors to approve meter installs, provide recommendations to Supervisor on meter supply and equipment orders.
- Primary focus will be on performing repairs, installation and maintenance on large, commercial water servicing and metering on private property, which requires a certified Plumber in accordance with the Ontario Building Code to perform work.
- Provide excellent customer service while troubleshooting metering systems and components and ensuring that the City metering system is functioning accurately to provide fair billing and prevent loss of revenue for the City.
- Provide technical support to meter staff and Supervisor to uphold the City of Cambridge's objectives for the water department.
- Complete all record keeping activities associated with all maintenance activities, normally utilizing the City's work management system (i.e. Maximo).
- Will be required to interface with the City's Smart Metering Infrastructure software and billing applications, via the City Technologists that support the systems.

Minimum Requirements

- Certificate of Qualification as a Licensed Plumber from Skilled Trades Ontario
- 5 years of related experience including apprenticeship
- Applicant must have successfully passed the required certification exam and be in possession of a Plumber's License
- Must possess working knowledge of the Ontario Building Code

- Must possess excellent organizational skills, normally acquired through apprenticeship program and on the job experience
- Must possess excellent trouble shooting skills relating to water supply and metering concerns
- Must be proficient in Confined Space Entry and experience working in confined spaces (meter chambers)
- Experience tracking and ordering stock of plumbing parts, or similar, is an asset

We will ask you for these items if you are hired
