York Region

WHO WE ARE

Recognized as a GTA Top Employer, one of Canada's Top Employers for Young People, one of Canada's Greenest Employers, one of Canada's Best Diversity Employers, as well as a Forbes Top Employer, The Regional Municipality of York is Canada's fastest growing region, with a population that is expected to grow to over 2 million by 2041. York Region stretches north from Toronto to Lake Simcoe and includes many hectares of protected Greenbelt. York Region's diversity is evident in its nine local cities and towns, geography, economic development, and population. York Region works to provide residents and businesses access to a broad selection of services and resources.

THE OPPORTUNITY

Reporting to the Supervisor, Remote Operations is responsible for providing 24/7 remote operations and support to York Region's Water and Wastewater systems, including the remote operation and analysis of events; implements system operational strategies, monitors performance of systems and reacts appropriately, ensures storage and quality parameters meet Regional Water Systems requirements and are at adequate levels and quality; operation and monitoring of sewage pumping stations, odour control facilities and asset reliability; implementation of alarm management strategies; providing remote Operator in Charge (OIC) functions and support as required and where applicable.

This opportunity is a union role with CUPE Local 905

Hourly Range: \$39.13 - \$46.03

Scheduled Shifts: 7:00am to 3:30pm , Scheduled Weekly Hours: 40 hours

WHAT WE OFFER

DEFINED BENEFIT PENSIONS PROGRAM - With the Ontario Municipality Employees Retirement System (OMERS) defined benefit pension plan, you can confidently retire knowing that you will have income for life. Eligibility from date of hire as a full-time employee and includes employer-matched contributions.

DISCOUNTS AND INCENTIVES - Enjoy corporate discounts from a variety of local businesses, such as, gyms and fitness studios, Canada's Wonderland, Telus or Rogers phone plans and the Personal or Cooperators insurance. Don't forget to take advantage of our Apple Employee Purchasing program!

EMPLOYER OF CHOICE - Recognized as the highest-ranking government employer in Canada and fourth overall among 300 organizations.

BENEFITS AND WELLNESS - A comprehensive employer-paid benefits plan includes extended health, dental and life insurance. Access to 24/7 Employee and Family Assistance Program (EFAP).

INCLUSIVE AND DIVERSE WORKPLACE - Creating an environment which recognizes and celebrates all dimensions of diversity and inclusion.

WHAT YOU BRING TO THE REGION

- Certificate of qualification by the Government of Ontario, in Industrial Mechanical Millwright (433A), Plumber (306A), Well Technician License 4 or Licensed Gas Technician II.
- Successful completion of MECP Operators' Licence in Water OIT and Wastewater OIT within six months of appointment.
- Successful completion of both level 1 and 2 MECP Operator's License in the regulated period of time.
- Minimum four (4) years related experience in maintenance and troubleshooting, preferably in a water and wastewater environment, including experience in mechanical electrical equipment and pump maintenance procedures.

APPLICATION PROCESS

We will be accepting applications until October 27th, 2023. If you are interested in the role please submit your application to www.york.ca.
