

THE REGIONAL MUNICIPALITY OF DURHAM

Works Department

Maintenance Operator (Temporary Full-Time)

Job ID: 21355

Job Number:

CUPE Local 1785

Open: Apr 01, 2025 Close: Apr 14, 2025

Diversity, Equity and Inclusion Statement

The Region of Durham is committed to employment equity and is actively implementing measures to build and sustain an inclusive, barrier-free workplace that is reflective of the diverse residents it serves. We welcome applications from Indigenous Peoples, people from racialized communities, women, persons who live with disabilities, people from 2SLGBTQI+ communities and people with diverse identities.

In accordance with the Accessibility for Ontarians with Disabilities Act (AODA), accommodation will be provided throughout the recruitment process to applicants who live with disabilities.

Location

This position is located at the Duffin Creek Water Pollution Control Plant at 901 McKay Road, Pickering.

Maintenance Operator 1 - WPCP

This temporary position is expected to be approximately 12 months in duration.

The duties include:

- Operate and maintain the Region's Water Pollution Control Plants including the collection system pumping stations
- Work standby duty, overtime and rotating shifts
- Perform other related duties as assigned

Applicants must have:

- A Grade 12 diploma coupled with a two-year post-secondary diploma in a related environmental field
- A Class 1 Wastewater Treatment Licence and willingness/ability to advance within the Ministry of Environment, Conservation and Parks (MECP) Wastewater Operator Certification Program
- Familiarity with computerized plant operations, equipment maintenance, and troubleshooting
- The ability to respond quickly to standby and overtime as well as the ability to work on a rotating shift schedule
- The ability to work with minimal supervision and make sound judgements regarding work methods and tools
- Experience and basic proficiency using Microsoft Office software
- Effective written and verbal communication skills
- A valid Ontario Class 'G' (or higher) Driver's Licence
- A Confined Space Entry Certificate would be considered an asset.

Candidates who possess an Operator in Training (OIT) Wastewater Treatment Licence and are willing to register and advance within the MECP Wastewater Operator Certification Program may also apply, however, preference will be given to applicants with a Class 1 Wastewater Treatment Licence.

Maintenance Operator 1 Hourly Rates

- Start Rate: \$35.19 - Job Rate: \$35.89

Conditions of Employment

Proof of education, qualifications and any other job bona fide requirements will be required prior to start date.

External Application Process

Come find a home where exciting and rewarding careers are balanced with your lifestyle. We thank all applicants; however, only those being considered will be contacted. Please apply online (www.durham.ca) no later than midnight (Eastern Standard Time) on the closing date indicated on the Job Posting.

The Region of Durham is an equal opportunity employer committed to an inclusive, barrier-free recruitment and selection process. If contacted for an employment opportunity and you require accommodation, or if this information is required in an accessible format, please contact us at: RecruitingHelp@durham.ca and a Recruiter will provide appropriate assistance pursuant to the Region's Accommodation and Accessibility policies. Please note that resumes should not be sent to RecruitingHelp@durham.ca.
